SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd wash their car, meet their parents, or just that you have a secret crush on them!

I am a straight man and have never had any contact with a lesbian. However I get more of a thrill from reading about and looking at girl-on-girl scenes, like the one with Sensi and Izzy, and watching lesbian videos than I do straight porn. Maybe it is because there is way-too-much emphasis on cock-sucking. My most enjoyable part is slowly undressing a woman while fondling, licking and kissing her all over. When she is nice and hot, I greatly enjoy going down on her, teasing her slit and eventually tantalizing her clitoris. She will usually have a very intense orgasm. I like to lie next to her, play with her tits and nipples and have her get me off by hand, or better yet, by mouth. So much for cocksucking, I guess. *– Allan, San Diego*

There's a girl that looks a lot like Elle Alexander that I met through a friend who was married. Apparently she was not getting enough from her man and I initially found her interesting. That is, until she attempted to harass me. She would send me texts like I'll be the best fuck you'll ever have and No one can fuck you like I can fuck you and the ever popular, I give the best blow jobs on the planet. Well, much to my disappointment in aftersight, sex with her was completely sloppy and awkward. It's like when you take two magnets and point the same poles towrds each other. There was no rhythm and I remember kissing her was like trying to stick my tongue in a bathtub. Some people fake orgasms on purpose and some do it out of habit. She moaned during sex making the fakest sex sounds possible.

– Klay, New Mexico

BLAIR-NTS-03

THERE'S A TEEN PICK UP STORY THAT EVERY GUY HAS AND THIS IS ONE

Guys have this ongoing fantasy about picking up an eighteen or nineteen year old girl, and fucking the living daylights out of her. These are stories shared with guys over a few beers and hot wings where a few exaggerations are told.

A hot, anonymous encounter with a young but very willing girl

A couple of nights ago I was taking the transit bus home after a bout of partying. I was very pleased to discover that the only other passenger was a lovely brunette girl who couldn't have been a day over 19. She was sitting all the way in the back alone, and from the backpack next to her on the seat, I guessed that she was a student at the university. Being a 42-year-old male who really loves young chicks, I boldly sat down beside her.

When she didn't move away, I slipped my arm around the back of the seat and flashed her my most charming smile. Batting her sparkling baby-blues, she smiled back. That was enough of a come-on for me. Silently, I placed my other hand on her bare knee and slid it slowly up under the hem of her denim skirt.

To my surprise, she reached over to grab my crotch! I nearly jumped out of my skin! As I massaged her soft, shapely thigh, she deftly opened my chinos and hauled out my rising cock right there on the damn bus!

Luckily, the driver was too busy with the traffic to notice us, because the next thing I knew, the little slut leaned over, popped my cock into her warm mouth, and started sucking like crazy! I had all I could do to keep from moaning in pleasure as she bobbed eagerly on my rigid length.

While I was churning toward orgasm, I let one hand wander over her cute bubblebutt. Eventually I slipped two fingers up the legband of her light blue bikini panties to tickle her cunt. The tiny tramp

began gushing juice all over my hand the second I made contact.

Moaning softly, she rolled her hips around on my probing fingers and picked up the pace on my cock until I spewed a load of spunk down her throat like a maniac. She lustfully swallowed every drop and then sat up, hit the buzzer, and grabbed her backpack.

"That was fun, Mister," she cooed, licking a stray dollop of sperm from her full lips, "but this is where I get off."

"Well, what a coincidence," I huffed, fixing my pants. "This is my stop, too!"

She didn't say anything; she just scooted out the side door. So did I. Of course, I was nowhere near my apartment, but I was hoping to get a shot at her nubile cunt. She must have known I was following her, because she glanced back over her shoulder occasionally and smiled. After about two blocks, she winked at me and trotted down the stairwell of a huge brownstone.

When I caught up with her, she was leaning against the wall of a grimy alcove at the foot of the stairs with her heavy flannel shirt wide open and her skirt rolled up to her waist.
"I live on the third floor with my parents, so we can't go to my place," she whispered. "Take me here, Mister! Take me right now!"

I didn't hesitate. Pulling her into my arms, I pressed my lips to hers while copping a feel of her firm, perky tits. As our tongues duelled, I pinched her tiny pink nipples into stiff peaks, then broke off to get a taste and rolled her panties down over her high, round ass.

When I eased a finger up her leaking teenage cunt, she immediately went for my fly. Her skillful fingers had my cock back up to full strength after only a few swift strokes. By the time I dropped down between her spread legs, we were both on fire.

"Oh, god! Yes! Eat me out, Mister! Lick me!"

Encouraged by her pleas, I jabbed my tongue past

her moist wattles with a vengeance, passionately scooping out wads of girl-cream until she was quivering on the verge of satisfaction. At that point, I pried my hungry mouth away from her drooling cunt, hopped to my feet, and lifted her coltish legs in the air.

Moving quickly, the horny little tramp snagged the edge of the grating above her and locked her ankles around my waist, allowing me enough room to shove my bloated cock into her teeny cunt. "Yessss!" she hissed, rocking her trembling hips. "That's it! Fuck me! Oh, god! Fuck me, you dirty old man!"

What a hot little piece! She was no virgin, but she was just as tight. Clutching her flexing ass-cheeks in both hands, I pumped her with all my strength until I was banging her into the wall repeatedly. She didn't complain, though. If anything, she got even wilder. Undulating spastically, the dark-haired beauty used her strong legs like a vise to urge my driving cock deeper inside her clutching cunt. Before long, the pressure squeezed the spunk right out of my swinging balls.

"Oh, yesss! Keep fucking me!" she shrieked, jacking her sweet ass violently. "I'm almost there!"

"Me too, honey!" I growled as I felt my balls burst.

"Shoot it!" she wailed, squirming uncontrollably. "Fill my dirty little cunt! Oh, yes! I'm coming!" Looping her arms around my neck, she hung on for dear life, moaning and squealing at the top of her lungs as she rode my spewing cock through one climax after another. Finally, she went limp in my embrace. After I wearily withdrew from her spasming cunt, she gave me a quick kiss and hurriedly rearranged her clothing.

"I have to go now," she chirped, tossing the backpack over her shoulder. "That was one great fuck! Maybe we can do it again sometime!"

Then she scampered up the stairs and I haven't seen her since. I didn't even get her name! But I keep riding that same bus every night and who knows? We just might meet again. At least I hope so!

There have been very few true redheads that have survived in the business of adult entertainment. Faye has seen many come and go throughout her decade of work. Sure, there have been a few hiccups along the way, but Faye has burped them all out and prospered.

Faye Reagan

Us: Good morning Faye. I don't know if you remember me, but we first met at a video shoot on a ranch above Calabasas. I've followed your career throughout these years and it's been quite impressive.

Faye: Good morning to you, too. I must say that you look kinda familiar, but I do remember the shoot you're referring to. It was a lot of fun because it was one of my first ones.

Us: I was the production manager for the video and I was responsible for the 2257 stuff we had to collect of the talent.

Faye: Okay, but that's still pretty vague to me. What I remember most about that shoot is the rattlesnake someone found. We all freaked out, but the owner came out and dispensed of it.

Us: I understand that you once thought about becoming a fashion model. Did you pursue it?

Faye: Yes, I once considered it. I would get stopped on the street and asked if I was. Unfortunately, I'm too short for almost any job, so I modeled elsewhere.

Us: Ah yes, let's talk sex. May I assume that you're all for it.

Faye: Sure, and yup, I'm all for it. It's turned into a career and I don't regret any of it.

Us: You're more into girls than guys. Right?

Wishful Thinking

Faye Reagan

Faye: I like both equally, but I've done more girl-girl scenes. When I started, my boyfriend at the time said it was okay with him if I did girls, but not guys. I agreed, but over time things changed and I eventually fucked guys. But my real passion is still for girls. Maybe because it's how I started.

Us: Were you into girls even before getting into the business?

Faye: I had played around with a couple girlfriends and even had a threeway with my bestie and my boyfriend. I really got off easily in those times.

Us: Are you a bigger fan of giving or receiving oral sex?

Faye: Both. It's just a natural part of sex, no matter the partner. The only negative thing about it is running into someone that's not as clean as they should be. That's a real turn off no matter who it is!

Us: Instead of asking you where you like to have sex, where do you not want to do it?

Faye: Wow, wasn't expecting that! I'm gonna have to say the beach or in the hot sun. With a skin like mine, I obviously burn very easily, and that is not fun. I've had sex at the beach, but in addition to the hot sun rays, the sand is a real problem. Even if you're on a towel, it just seems to find a way into your private parts and it hurts!

Us: Are you involved with anyone or anything now?

Faye: Yes and no. I had a boyfriend for a long time and we've been on and off through the years. This business does put a huge strain on your relationships, so not only do you have to be tough about it, but others that you may be involved with also have to be tough. While it's very rewarding, it can be very destructive. I've been fortunate to stay away from most of the melodrama on the video shoots and in the business.

Us: I'm sure you've had a chance to travel the world. Is there a place that stands out for you?

Faye: Well, I've enjoyed Europe a lot, especially Paris at night. It's so beautiful and romantic. I wanted to love the Greek Islands, but the sun was always out and I spent most of my time under a hat or indoors, but they were truly magical. Believe it or not, my favorite place of all is where I'm from... Las Vegas! I mean how can you et more magical than that. The lights, the food, the shows. It's an adult playground. I have always had the best time there, if it's with friends or family, just visiting, or going there to work. It's my favorite place in the world. I hope everyone has a chance to visit Vegas once in their life.
